Abbott Nutrition
Consumer Sales Internship

At Abbott, we're committed to helping people live their best possible life through the power of health. For more than 125 years, we've brought new products and technologies to the world -- in nutrition, diagnostics, medical devices and branded generic pharmaceuticals -- that create more possibilities for more people at all stages of life. Today, 99,000 of us are working to help people live not just longer, but better, in the more than 150 countries we serve.

At the Abbott Nutrition Division, we understand that proper nutrition is the foundation for living the best life possible. That's why we develop science-based nutrition products to nourish your body at every stage of life. Our products, including Similac®, PediaSure®, Pedialyte®, Ensure®, Glucerna®, and ZonePerfect®, help babies and children grow, keep bodies strong and active, and support the unique nutrition needs of people with chronic illnesses — to make every stage of life a healthy one.

Consumer Sales Internship
The Consumer Sales internship will provide hands-on experience with broad exposure to the Consumer Package Goods (CPG) disciplines within Abbott Nutrition. The areas of focus could include: Direct Sales, Category Management, Shopper Marketing, Sales Analytics, Supply Chain, and Retail Operations. Each intern will be assigned a meaningful and challenging assignment that will be geared towards a specific Abbott Nutrition business need. The intern will have an opportunity to demonstrate their leadership skills and analytical ability throughout their assignment. Ideal candidates will combine technical and business knowledge with analytical strength and creative problem solving abilities.
