If you are wondering how to get the experience you need to land a great full-time job after graduation, intern with Veeam for the summer and get the sales training you need to move your career forward fast.

As a Veeam intern in our Alpharetta (Georgia) or Tempe (Arizona) office, you’ll learn about the data management industry and how to help global leaders protect their information. You'll be placed into an Inside Sales or Renewals position, preparing you for a giant leap forward in either area.

**In Inside Sales you will:**
- Engage existing customers to cross sell and make sure they're satisfied.
- Call new leads to create opportunities.
- Shadow our Inside Sales Associates and Representatives and learn the ropes of product demonstrations.

**In Renewals, you will:**
- Work with satisfied customers on renewing their contracts.
- Learn how to engage expired accounts to win them back.
- Shadow our Renewals reps and Customer Success team, to learn how best to upsell and cross-sell whenever there's an opportunity.

Summer with us will be Veeamazing! You will start with learning, to build a solid foundation for a successful sales career, and you'll also have fun. It’s summer after all, so we’ll pack your schedule with things like ice cream networking socials, volunteer opportunities, a scavenger hunt, and contests with great prizes.

Ready to join us for our eight-week program? Here's what we need from you:
- Excellent written, verbal and communication skills
- Willingness to learn about technology
- Proficiency in Windows and Microsoft Office
- Strong social media skills
- Enrollment in an accredited college or university, graduating in 2021
- A GPA of 3.0 or higher

Don’t settle for a career that’s just okay. Join us, and let’s be Veeamazing together.

**If you accept a position, the offer is contingent upon the satisfactory completion of a background investigation, and evidence that you're eligible to work for any employer in the United States.**
